2. It was usual to get copies of Topo Sheets free of charge, any number that was required, from the Surveyor General's office at Calcutta, under the authority conveyed in First Assistant Resident's letter No.756/295-92 dated the 4th March 1893. Accordingly, copies of Topo Sheets were being distributed to the officers mentioned in the list attached to G.O.No.1337-70/1053-89 dated the 19th December 1910.

When & under whose authority?

3. The number of copies to be supplied to the State free of charge is since restricted to 50 but to supply to all the officers noted in the list ~~and to the officers~~ in the list and to the officers of the Public Works Department, at least 120 copies are required (either in full set or in parts). Since the supply is restricted to 50 and as many as 16 sets are required for this department as noted in the margin, there will only be 34 sets available for distribution to other departments.

I see from the file that the authority for the statement in para 3 of the Secretary's Note is Assistant Surveyor-General's letter of the 23rd September 1926. I am not sure that this communication represents the last word on the subject. Under the arrangements now in force, we are entitled to the free supply of as many copies of Topo Survey Maps as may be required for our use. The proposal of the Assistant Surveyor-General to restrict such free supply to 50 copies is, virtually, to go back upon the existing practice, for which I see no reason. A letter may be addressed to the Residency on the subject and a draft put up for my approval through the Chief Secretary. ✓ 11 Mar 26

Dewan's minute dated 15th April 1927 regarding the free supply of Topo Survey maps of Mysore

P.P file 95 of 24 regarding the undertaking by this Govt to pay Rs 90,000/- towards the cost of revision of the topographical Survey of the State is put up. It will be seen therefrom that the question of the supply of topo-sheets free of Cost, to this Govt was not at all raised when addressing the Resdy regarding the above undertaking in Feb 1926. Again, when the Residency in their letter of 7th Dec 1926 intimated that 50 copies could be supplied as usual, the question of the supply of a larger number of copies was not considered & its desirability & necessity pointed out to the Residency. A copy of this letter was simply communicated to the P.W. Secretary.

But in a previous communication No Pol 18 of 9th July 1925 the Resdy had been asked whether, in case a contribution was made, a free supply will be made of a sufficient number of copies of the maps required by this Govt. But in the reply letter from the Resdy & subsequent communications, this point was not referred to.

The question of not restricting the free supply to 50 copies will have to be raised with reference to our letter of 9th July 1925.

In the first Asst Residents letter dt 4-3-1893 the question is made of the no of copies to be supplied free. In para 2 of the Residency letter dt 7.12.26 it is stated that 50 copies will be supplied free as usual

Before addressing the Residency asking for a free supply of some copies it seems necessary to ascertain the exact no of copies that was being supplied free till now & whether there are any records to that effect.

To

The Secretary to the Hon'ble the
Resident in Mysore.

Encls one

Sir,

I am directed to address you on the question of the free supply of the printed maps of the Survey of India. It has been the practice hitherto to obtain free of charge as many copies of these maps as may be required for the use of the several departments of the State, from the Surveyor General, Calcutta. This practice dates from 1893 and is in consonance with the First Assistant Resident's letter No.756/395-92 dated the 4th March 1893. A statement showing the number of maps supplied free to the State by the Survey of India from time to time is annexed. From this statement it will be seen that the number of maps supplied varies from 29 to 157 according to the requirements of the several departments of Government.

In paragraph 2 of your letter No. 10571/345-1894 dated 7th December 1926 about the contribution of the state towards the expenses of the Survey operations in the State by the Survey of India, it is stated that " he (Surveyor General) adds that in consideration of the payment

P.T.O.

of contribution the Mysore Government will be supplied as usual with 50 copies each of all printed sheets surveyed during the season 1922-23 and subsequently free of cost".

This proposal to limit the free supply to 50 copies is a clear departure from the arrangements in force for over 30 years. The number now proposed to be supplied will not be sufficient to meet the requirements of the various departments of the State. Besides, His Highness' Government have agreed to pay a substantial contribution towards the expenses of the Survey operations carried on in the State

In the circumstances the Government of His Highness the Maharaja will be glad if the arrangement hitherto in force, under which the Survey of India have been supplying to them free of cost ~~such~~ as many copies of the printed maps as may be required from time to time for the use of the several departments of the State is continued.

CONTRIBUTION OF THE MYSORE GOVERNMENT TOWARDS THE COST OF THE SURVEY OPERATIONS IN THE MYSORE STATE - SUPPLY OF COPIES OF MAPS.

SIR,

With reference to your letter No.Pol.32/P.P. 95-24-32, dated the 8th July 1927, I am directed to invite a reference to letter No.5511/921, dated the 17th December 1892, from the Secretary to the Government of Mysore, Public Works Department, in which the correspondence was initiated which led to letter from this office No.756/595-92, dated the 4th March, 1893. I am to point out that the basis on which a free - - supply of maps was claimed was clearly stated to be that the Mysore Government had paid for the entire cost of the Survey.

In view of the altered circumstances now - - obtaining, in which the Mysore Government pay only a portion of the total cost of the latest surveys, the Resident is of opinion that the precedent quoted has no longer any force.
